

**Planning and Compulsory Purchase Act 2004
City of Westminster**

Adoption Statement for the following Supplementary Planning Document:

- **Planning brief for Dudley House North Wharf Road & 139-147 Harrow Road, London W2**

On 27 October 2009 the City of Westminster adopted the Supplementary Planning Document (SPD) listed above. The council is committed to setting out a clear planning framework for the development of Westminster. The objective of this SPD is therefore to set out the council's planning considerations relating to the potential redevelopment of the Dudley House and Harrow Road site. The SPD provides a site specific supplement to the policies and proposals of the City of Westminster Unitary Development Plan (2007) and the London Plan (2008). Together these form the development plan for the area. The SPD has also been written having regard to the council's emerging Local Development Framework and in particular the proposal to incorporate the site within a newly designated 'Paddington Opportunity Area'.

The SPD, together with a copy of this Adoption Statement and the Consultation Statement (statement summarising the main issues raised during public consultation on the draft SPD and which sets out how those issues have been addressed in the adopted SPD), are available for inspection free of charge at the following locations:
